~~Wanted palliative~~

~~Is it a life threatening condition?~~

~~What is your role in this case palliative care
and what do you do to support the patient and family
and what is the difference between palliative care and
curative care and how will you individualise care
according to the patient's needs and preferences
and how will you involve the family and other health
care professionals in the care of the patient.~~

~~What is the main problem? ☺~~

~~What do you do for palliative care? ☺~~

~~What is the role of the family in this situation? ☺~~

~~How will you take care of the patient? ☺~~

Collaboration with other countries can help to implement better
foreign aid but requires a mutual agreement about
priorities. Another concern is that foreign aid often
is not always effective because it is not well used.

As discussões entre os países levaram à sua criação a
Organização Económica para a Cooperação e Desenvolvimento.
