"Beti Bachao Beti Padhao", Education is power and makes a girl powerful."

"Girl means Gift in Real Life", "Don't kill a girl, and let her see the world. "Save girl child, save future generation."

Through this awareness programme we educate the Bokhara People. The adverse sex ratio has been linked with the low status of women in Indian communities, both Hindu and Muslim. The status of women in a society can be determined by their education, health, and economic role, presence in the professions and management, and decision -making power within the family.

Prime Minister Narendra Modi has inaugurated a scheme for girls called Beti Bachao Beti Padhao. It is to save the girl child and educate the girl child all over India. Students collect information through survey questionnaire and also aware of the women's of Bokhara village.

#### Conclusion:

Through this awareness program rally and survey in Bokhara village women's and community people were aware of Female Foeticide and save girl child of the society. Our objectives were achieved students gain valuable and qualitative Learning experience
